Right or wrong:

1. If you hit out wildly when there are mosquitos around you will get bitten.
2. Some people are tastier for mosquitos than others but they don't know why.

1. You can eat a pork sandwich with a good conscience.

2. Sometimes eating sandwiches is as bad for the environment as driving your car.

3. If you go to buy sandwiches in the car it is worse for the environment than if you walk.

If you smoke then 1 is half of twenty.
