d. sparrow eagle swallow robin

4. Please turn over this paper. On the back there are some exercises relating to words we used last week.

Have a look at it on your own or with a neighbour!

5. Move on to bird migration:

Have you seen or heard any migrating or collecting birds this week?

We have been looking at an article by the BBC called “Fabulous Flight: 13 amazing facts”. I told you one of them was that in 1822 a stork was seen in Germany with an African spear through its body. So then people were sure the storks went to Africa over the winter. It also says there have been about 25 similar cases since!

What else did you read about? (Try not to use the paper to tell us!)

Did you know any of those things beforehand?

(15.40!) 6. Moving on: The news about the world and indeed about Germany is often so depressing that I thought we might move on to something that is definitely cheerful.

(- What are the things or thing that is worst about the news at the moment?)

(- What kind of information makes you feel more hopeful for the future?)

Look at this picture:

(Nobel Peace Prize winner W. M. is presenting a young refugee now living in a refugee camp in Tanzania with a prize. It is called ‘The Children’s Peace Prize’. This picture was taken in 2009.)

Homework for 24th : Look through the list of the first 10 winners of the prize and read what each of them says. Try to guess what their main experience and main aim is.
